

OUTDOOR DUAL (+1) ■ Manual, Non-Refrigerated Hydration Station Combo

Oasis's Outdoor Dual, combines a bottle filling facility with a bi-level drinking fountain. This is the sustainable hydration solution for park visitors and city goers alike.

This Outdoor Dual requires no electricity, for easy installation and maximum flexibility in placement. Simply activate the unit via one of the push-buttons.

Its vandal-resistant design and corrosion-resistant cabinetry ensure durability in any environment. Designed with an open-sided alcove for easy access, it provides refreshing water wherever it's needed. By offering a sustainable alternative to single-use plastic bottles, the Oasis Outdoor Dual promotes eco-friendly habits and reduces plastic waste and litter.

Also available with two arms.

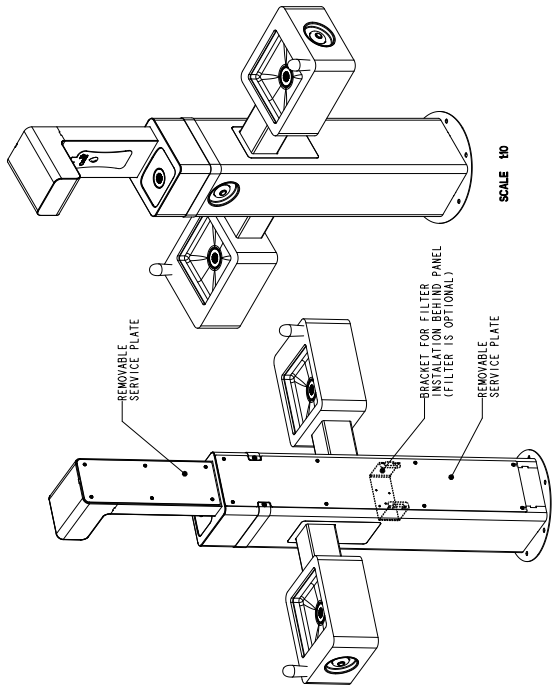

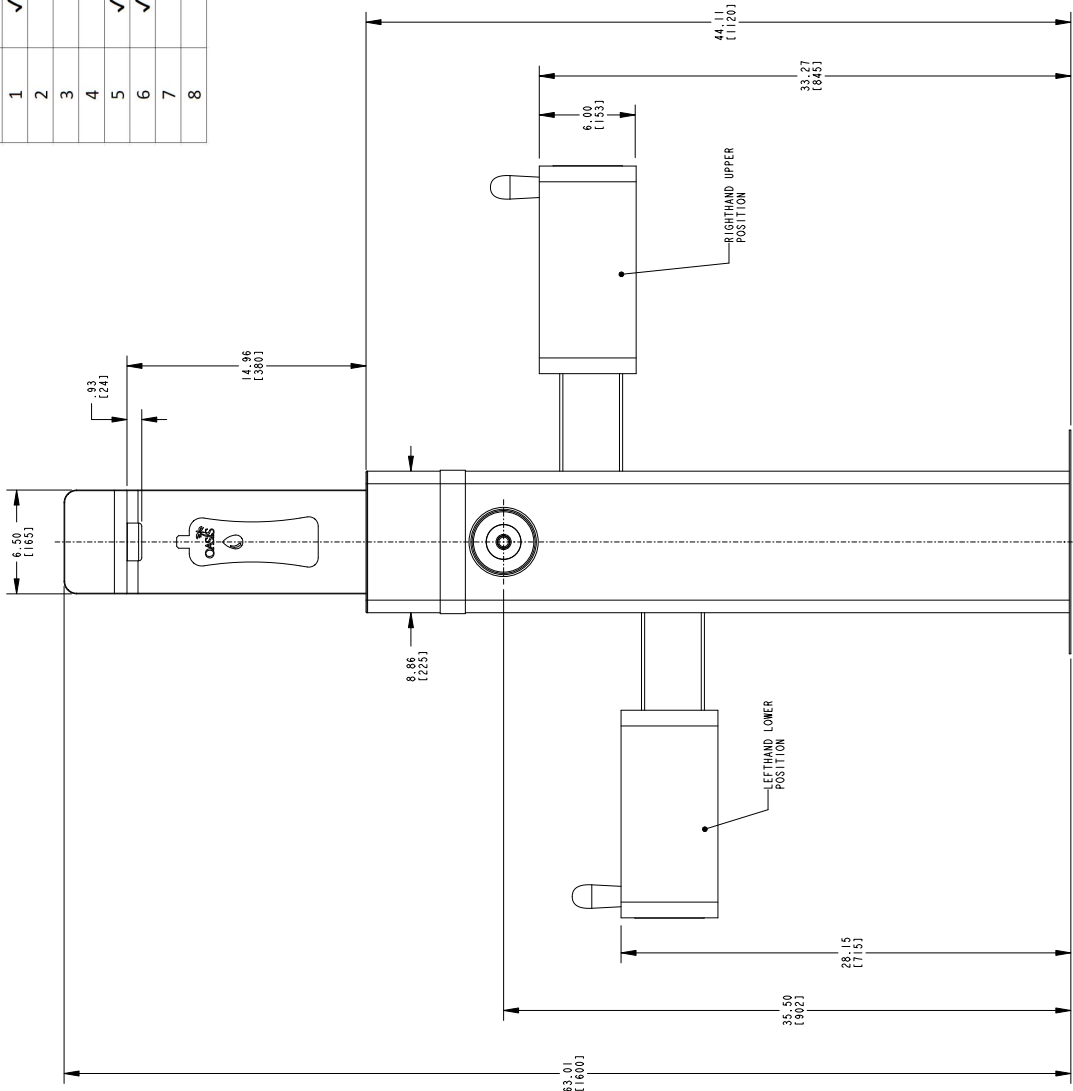

Available in the following standard colours:

- Forest Green
- Navy
- White.
